

TBT Engineering Limited is Northern Ontario's largest independently owned multidisciplinary engineering consulting firm with headquarters in Thunder Bay, Ontario, Canada.

Visit our website at www.tbte.ca to learn more.

TBT Engineering Limited has immediate openings for the following position:

DRILLER HELPER

Reporting to the Manager of Drilling Services, successful candidates will be involved in geotechnical drilling operations for Supercom's East-West Tie Transmission Project by way of providing labour assistance to drill teams.

Candidates with experience working with or around heavy equipment and using tools / troubleshooting mechanical issues are preferred. A valid Ontario Class "G" driver's licence (or equivalent) and a good driving record are required.

The position is physically demanding and involves lifting and moving heavy material. Out-of-town work and shift work are required. Applicants must be familiar with the Occupational Health and Safety Act and Regulations.

These positions are classified as temporary. Traveling expenses and accommodations are paid for by the Company. Overtime is provided for any time worked beyond 44 hours per week. Opportunities for professional development and advancement within the company exist!

Applicants can apply on-line at www.tbte.ca or can submit their cover letter and resume in confidence to:

TBT Engineering Limited
Attn: Human Resources
1918 Yonge Street, Thunder Bay, ON P7E 6T9
E-mail: info@tbte.ca

TBT Engineering is an equal opportunity employer. We would like to thank all applicants for their interest; however, only those selected for an interview will be contacted.

*****We encourage applicants to apply on-line! Simply go to the "Careers" section of our website at www.tbte.ca !**
