

CHAINSAW HAND CLEARING COURSE:

TRAINING WILL BE ONE WEEK
(2 DAYS IN CLASS & 4 DAYS HANDS ON)

Previous Chainsaw experience preferred but not required.
Must be at least 18 years of age.
Travel, Training Allowance and Accommodations will be provided.

Classroom course consists of three modules:
Chainsaw Sharpening and Maintenance
Safe Chainsaw Handling
Felling and Limbing.

This is a safety awareness course leading towards certification once employed,
certification is completed by the employer

The course content will provide the participant with the basic knowledge and skills for
safe chainsaw operation in a professional logging environment.

Participants will also learn how to identify and deal appropriately with a variety of
hazardous sawing conditions they will encounter in their work.

There is guaranteed work in the region for the next two seasons
(Fall and Winter 2020). The work locations will be between Thunder Bay and Wawa.
